MAGNIFICENT MANOR

Smith brings cozy chic to a country estate nestled in the midst of high-style Beverly Hills: umbrella stand from Little Paris Antiques, [littleparisantiques.com](http://littleparisantiques.com); vintage leather couch from Obsolete, [obsoleteinc.com](http://obsoleteinc.com); pillows from Bountiful and Kathryn Ireland, [bountifulhome.com](http://bountifulhome.com), [kathrynireland.com](http://kathrynireland.com); tulips and narcissus in cement and terracotta pots from Inner Gardens, [innergardens.com](http://innergardens.com); mirrored bamboo chest with marble top from West World Imports, [westworldimports.com](http://westworldimports.com); vintage sconces from a Paris flea market.
