COLOR REPORT

LAVENDER

Purple is coming onto the scene, and the lighter renditions are finding a perfect home in furnishings.

Dimond Home's Red Gallery sconce shines purple through the agate diffuser. A gold leaf finish complements the pop of color. www.dimondlighting.com

Nourison's Couture Fur pillow in Lavender White is made of Tibetan lamb and measures 14 inches by 20 inches wide. www.nourison.com

From Windsor Smith for Century Furniture, the Solstice chair sits pretty in purple. A Euro beech frame in white sets off this version perfectly. Measures a petite 22 inches wide, 29 inches deep and 33 inches high. www.centuryfurniture.com
