Entry Round Settee

DIMENSIONS:
67" diameter x 39" high

LEAD TIME:
10-12 weeks

FABRIC REQUIREMENTS:
67' - 20 yards

This round settee is perfect for your entry! This piece, traditionally called a "born" is scaled so beautifully with the detailed walnut frame in our signature carving, much like our Regency Settee. We offer this in a 67" diameter size at 39" overall height. However, we will take special orders if you need it smaller for a more petite entry.
